Redefining Productivity at the DMG MORI Cincinnati Grand Opening!

Dear Valued Customer,

On **August 15-17, 2017**, we invite you to **Redefine Productivity** at the **DMG MORI Cincinnati Grand Opening**. Network with your DMG MORI direct sales and service team in West Chester! Our DMG MORI Cincinnati Technology Center, at 14,500 ft² is now open and offers a spacious new showroom for test cuts and demos! At the Grand Opening, meet your **highly dedicated, skilled team of 18 individuals** – 9 in Service, 3 in Applications, and 6 in Sales, all of whom are here to support you 24/7 for your **peak productivity and profitability**.

During the Grand Opening, featured are DMG MORI's exclusive **Technology Cycles** to increase your productivity! Experience a **live high feed demo** on our local production, Vertical Machining Center, **CMX 1100 V**. Other exciting demonstrations to be featured will include a demo on the **DMU 50, 5-axis Universal Milling Machine**.

Please join us at the DMG MORI Cincinnati Grand Opening where you can learn to **improve your manufacturing process and maximize your profitability**.

We look forward to seeing you there!
