Dear Valued Customer,

Join us on July 25-26, 2018 for our Technology Days event, in cooperation with our DMQP Partner, Autodesk.

The future of making is here, exposing every industry to radical changes in the way things are designed, made and used. Enter the age of Digitization with CELOS - app based control and operating system, featured on three of our exhibited machines.

Take advantage of our open showroom with one-on-one interaction with our industry leading Engineering Team.

Register today at events-usa.dmgmori.com to join us for our Technology Days event in Detroit.

We look forward to meeting you!
